

OpenMRS Mozambique Kickoff Workshop Agenda

Dates: Tuesday February 4 and Wednesday February 5, 2014

Location: I-TECH Office, Av. Cahora Bassa, No. 106, Maputo

Who Should Attend?

Directors, Managers, and Technical Staff that will be involved in planning for and assisting in the implementation of the OpenMRS system.

Objectives

This meeting will bring together representatives from Mozambique Ministry of Health, Mozambique-based clinical implementing partners (primarily those working in HIV), M-OASIS and CDC-Mozambique with the following objectives:

1. Participants will be able to build implementation plans
2. Participants will be able to identify risks and possible solutions in their implementation plans based on the implementation guide.
3. Participants will have an understanding of points of collaboration within the Working Group.

Proposed Outputs

- Partners will develop a strategy to build implementation plans
- Partners will develop a strategy to address implementation plan risks.
- Partners will have an agreed upon schedule and deliverables for the OpenMRS Working Group
